

We never stop leading change

www.canhcovang.vn

Cacova is one of the leading companies on the Vietnam advertising market in the field of planning, design and construction of exhibition stands.

As the region's leading exhibition stand contractor, we provide invaluable advice on the entire exhibition process.

We have a large team of exhibition designers, project managers,

transport and logistics staff who can undertake any size of project. We have experience of designing, building and delivering exhibitions throughout the Vietnam and Asia.

Designing, building and project management are all strings to our bow when it comes to creating innovative spaces for your audience to interact with at exhibitions. Cacova specialises in building high quality, beautifully designed and practical exhibition stands of all sizes. We work with you as part of your team to understand your objectives and requirements. We will support you with every aspect of your event, including leaving all of the boring paperwork associated with exhibitions to us.

For over a decade Cacova has been creating innovative exhibition stands, providing a complete design, production and management service Asia wide. Our aim is to bring potential clients to your stand using the latest techniques to maximize your effectiveness on the show floor.

Cacova has experience to working to high quality specifications. Highly skilled and experienced workforce excellent design development expertise careful attention to detail. We can offer you the best solution within your budget.

A company with creative designers, talented and qualified architects and engineers supported by trained staff. We make custom design stands for exhibitions and our clients are government organizations and multinational companies.
